

# Religious Education Coach

Minaret College is seeking an outstanding Religious Education Coach to join our school.

## ABOUT THE ROLE:

The Religious Education coach will be a member of the College leadership team. The successful applicant will be responsible for managing the department in both Springvale and Officer Campus.

The Religious Education Coach will fulfil the vision of Minaret College to instil an understanding and practical application of the Islamic faith – one that will serve our students through their school life and beyond. To achieve this goal this role will require excellent knowledge of Islam and be an inspiring role model for our students. They will possess a genuine character and a willingness to connect with students from diverse backgrounds – including providing religious counsel to students facing a range of contemporary social challenges.

### The successful applicant will be responsible for:

- Leading, managing and supporting the staff in the Religious Education Department
- Providing inspiring leadership of the Religious Education programme
- Ensuring student centeredness and the college's Islamic ethos are at the forefront of the college
- Setting and advancing the academic strategy for the Department in line with the College's strategic plans and direction
- Showing evidence of continual improvement in the teaching and learning of their department through schemes of work and extra-curricular activities

- Setting and establishing new and innovative working practices
- Ensuring the Religious Education Department contributes to wider school improvement goals
- Developing policies and procedures to ensure smooth running of the department

### The successful candidate will possess:

- Tertiary qualifications in Teaching (VIT registered or equivalent)
- High level of Islamic Knowledge and understanding
- Experience in a similar role
- Excellent communication and interpersonal skills
- Exceptional leadership and management skills
