

MINARET COLLEGE

Islamic College of Melbourne South and East

20 July 2020

Dear Minaret Family

Assalam Alaykum wa Rahmatullahi wa Barakatuhu,

InshaAllah this letter finds you in the best state of health and iman.

First, I would like to thank you for your continued support during 2020. We are dealing with challenges unlike what many of us have experienced in our lifetime. Schools across Australia have made changes to the way we facilitate learning for our students and as College, we acknowledge that our success comes firstly from Allah (swt) and then from the dedication of our school community – our resilient students, professional staff and dedicated parents.

While our attention has again turned to deliver online learning to our Foundation to Year 10 students, we are also finalising enrolments for 2021. As is our precedent, we continue to prioritise siblings of existing students. To support our families financially, we also offer discounts for local families who have additional children enrolled at the College.

With the much-anticipated opening of our third campus at Doveton next year, we are receiving increased interest from families who don't already have a child at the College. We are therefore making an important request to our existing families now. **If you intend to enrol a sibling at any of our three campuses in 2021, please submit your enrolment application by Wednesday 12 August.** Doing so will ensure we are able to prioritise your application before filling the remaining vacancies with new families; we cannot guarantee sibling vacancies will be available post this date.

Enrolment forms and supporting information for Foundation to Year 12 students are available via our website at <https://www.minaret.vic.edu.au/index.php?id=3>. Alternatively, please contact our Admin team if you would prefer the forms posted to you. Application forms for ELC are also available via request to our Admin team. If you have any questions when completing the form, please call our Admin team who will be happy to assist.

Thank you again for your continued support and partnership with the College. May Allah (swt) protect our community and keep us in the best of health and iman. Ameen.

Kind regards,

Mr Mohammed Taksim
Executive Principal
