

# ZOOM INSTRUCTIONS FOR STUDENTS

Your teacher will post a link on Seesaw / Edmodo to join a Zoom classroom session.

Before commencing make sure you are logged into the Zoom app on your Chromebook / iPad. **Follow the steps on the next page to login to the Zoom app.**

**For students using their own device at home:** Follow the instructions at the end of the document on how to download and install Zoom.

## IMPORTANT NOTES

- The Zoom app will be installed onto your Chromebook / iPad automatically, **ensure your Chromebook / iPad is connected to Wi-Fi at home** in order for the app to be downloaded.
- You must follow the process mentioned below to **sign in by selecting the SSO option**, if you sign in with any other account other than your student email address you will not be able to join the class.
- For those students who are using **their own device at home** you will need to download and install the Zoom application on your device. See instructions at the end of the document on how to do this.
