INSTORE SAFETY GUIDELINES

Books and stationery can be purchased directly at Lilydale Books (without pre-ordering) during opening hours but please note that the store will have strict health and safety guidelines in place. Some of these include: reduced store capacity, mandatory face masks and hand sanitising. The reduced store capacity will result in longer than usual wait times.

SECOND HAND BOOKS

Due to the ongoing health concerns of COVID-19, we have **suspended the instore second hand book** service during the 2020/2021 booklisting season. Our customers travel from around Victoria to take advantage of this service, not just from the local community. It is not feasible to conduct a service that encourages a high volume of customers in our store.

If you have a second hand consignment from 2019/2020 it will be extended for another year. More information about the second hand book service is on our website www.lilydalebooks.com.au/second-hand-books. We anticipate this service will resume in the future.
