3 PHILOSOPHY AND FOUNDATIONAL STATEMENTS

- 3.1 The College provides an integrated Islamic and secular education that will help the students develop their talents and capacities to their full potential, taking into account the social, cultural, and economic needs of the Islamic community and the nation as a whole.
- 3.2 Our vision is to produce a healthy Australian-Muslim identity which is: connected, conscious, sincere to its traditions and committed to excellence, good citizenship and compassionate service to humanity.
- 3.3 We are focused on practising student-centeredness where we recognise the unique experiences and abilities of each student entrusted to us and work to facilitate their learning in an inclusive way. We are forever cognisant that the influence we have on their lives of our students goes well beyond the classroom. This relates to our philosophy which is to help students improve their learning and increase their knowledge on a daily basis to the best of their abilities. We also provide our students with a safe learning environment free from harassment and bullying.
- 3.4 As an Islamic school, Minaret College operates on the basis of the following Statement of Faith:

Minaret College Statement of Faith.

Minaret College was founded to support the needs of a diverse Muslim community in the South-Eastern suburbs of Melbourne. We are diverse in our cultural and ethnic backgrounds, yet united in our faith Alhamdulillah.

As Allah (SWT) states in Surah Al-Imran, Ayah 103, "And hold firmly to the rope of Allah all together and do not become divided".

As Muslims, we share a set of beliefs which are fundamental to the Islamic faith and unanimously agreed upon. The beliefs are articulated in the authoritative sources of the Holy Qur'an and Sunnah of the Prophet Muhammad (saws). Our beliefs are:

- Belief in Allah (SWT) – the One, the Eternal Refuge. He neither begets, nor is He begotten. There is none comparable to Him.
- Belief in His Angels – created by Allah (SWT) from light and in a constant state of submission to His command.
- Belief in His Books – amongst them, the Torah, the Injeel and the final book, the Holy Qur'an. The Qur'an is the unchanged, infallible word of Allah (SWT) and the final revelation to all of mankind.
- Belief in His Messengers including Ibrahim (or Abraham) (as), Musa (or Moses) (as) and Isa (or Jesus) (as). Prophet Muhammad (saws) is the seal of the Prophets, the final Messenger and the best example for all of mankind.
- Belief in the Day of Judgement – all mankind will be resurrected and judged according to our actions in this life. We will be rewarded or punished; our eternal destination will be either Jannah (Heaven) or Jahannum (Hell)
- Belief in Qadr (Divine Decree) – the knowledge that both good and bad are from Allah (SWT) and based on His decree

Our faith is completed through our actions. Following the Sunni tradition, our sources of guidance are the authoritative sources of the Holy Qur'an and the Sunnah of the Prophet Muhammad (saws) as recorded in the Books of Hadith (including the Collections by Al Bukhari, Muslim and others).

While there is consensus on the fundamentals of our faith, we recognise that there can be scholarly differences of interpretation on matters of fiqh (Islamic jurisprudence). The primary sources of fiqh are the four schools of thought (madhab) – Hanafi, Maliki, Shafi and Hanbali. Minaret College will accommodate diversity of understanding if derived from the authoritative sources and consistent with a particular madhab. Beliefs or actions inconsistent with those sources will be respectfully corrected.

Where a matter requires the College take one position, it will be referred to the College Imam and/or the Board of Imams Victoria.

- 11.2 Should the Executive Principal's delegate conduct the consultation, they will make a recommendation to the Executive Principal if an offer of enrolment should be made to the Applicant. Following the consultation and any recommendation from the Executive Principal's nominee, the College will assess whether it is necessary to make an adjustment, and whether that adjustment is reasonable.
- 11.3 The College will take into account relevant circumstances and interests when identifying what is a reasonable adjustment, including the following:

- 11.5 If reasonable adjustments are necessary to enable a Student to enrol in or participate at the College, the College will make those adjustments to the extent that they do not involve unjustifiable hardship. In determining whether an unjustifiable hardship would be imposed on the College, the Executive Principal will take into account the relevant circumstances of the case , including:
- a) the nature of the benefit or detriment likely to accrue or be suffered by any persons concerned (such as other students, staff, the College community, the Student and the family of the student). This includes (without limitation):

- 11.7 If the Executive Principal is satisfied that it has sufficiently consulted the Student and the Applicant (as appropriate), and adjustments required are not reasonable, would cause unjustifiable hardship or the College, may decline to offer the Student a position or may defer the offer.
- 11.8 As every Student's educational needs can change over time, it will often be necessary for the College to review any additional assistance that is being provided to the Student, in consultation with The Applicant and the Student's treating medical/allied health professionals, in order to assess whether:
- a) the reasonable adjustments remain necessary and/or appropriate to the Student's needs;
